Is Vaccine Science Really settled? Look at what this doctor has to say.

The Profitability of Vaccines

It proves to be an eyeopener for many people similar to that of their popular and highly beneficial series - "The TRUTH about CANCER".

Some interesting trends in vaccines:

"Did you know... in 1960, there were 5 doses of 3 vaccines given to children...

By 1983, it was up to 24 doses...

And now, in 2020, the CDC schedule recommends up to 72 doses of 16 vaccines given to children here in the USA from birth to 18 years!

In fact, the USA now gives **3X** more childhood vaccines than most developed countries, yet we also have some of the highest rates of childhood diseases **NOT** seen in other countries.

And the CDC has over 200 more vaccines in the pipeline!

Have you ever wondered WHY certain policies about vaccines are adopted?

- Is it bureaucracy?
- Is it to protect children?
- Or is it to protect Big Pharma's profits?"

2. FOOD is your FUTURE

Remember we are what we eat!

Good and true foods build long lasting natural immunity.

Literally, your food is your future, it becomes part of you. Food is not only for energy; every day you replace millions of cells with new ones, as cells only have a certain shelf life. Make sure you are geared for a good future where you replace the old cells (tissue, approx. 20 million cells get replaced daily) with equal or better building material, by ingesting whole, clean and true nutrients.

Our book GO NATURAL Wisdom for Healthy Living explains it in detail and presents the proven GO NATURAL hunter-gatherer diet and lifestyle that empower people to live "DIS-EASE" free.

Remember, if you want VITALITY:

1. Always eliminate all ROOT CAUSES of "DIS-EASE"

If you have not seen the empowering movie "ROOT CAUSE", send us a clean USB stick and we will upload the full movie for you.

Linked find the "ROOT CAUSE" movie trailer at https://rootcausemovie.com/

- 2. FIRST, DO NO HARM and
- 3. PREVENTION is better than cure.

You can prevent a lot of pain and agony; our book *GO NATURAL Wisdom for Healthy Living* will help you to live "DIS-EASE" free.

These natural and common-sense principles offer you freedom from the shackles of "dis-ease" and symptomatic treatment with medicine, whilst the **root causes** remain unaddressed.

Marijuana & Hemp

I can strongly suggest a whole full-spectrum Hemp, CBD oil supplement.

The one that I have seen to work over-and-over again is the Meduca oil from Canamere. There are many more benefits from taking this supplement as it helps your inner doctor at night to maintain, heal, restore and prepare your body for the next day.

Meduca

Introducing you to the IMPROVED and stronger full-spectrum, whole hemp leaf extract oil.

Meduca is a 30ml product with 450mg of CBD/CBDa combined with other naturally occurring cannabinoids such as CBC, CBCa, CBGa, CBG and CBN.

The full-spectrum approach gives us a wealth of terpenes and other valuable synergistic plant nutrients that you won't find in most CBD products, on the market. Most CBD is isolated-CBD (or CBD-isolate as it's known) and is inferior.
