HEALTH ADVICE

YOUR STAPLE FOOD AND FOOD SECURITY SOLUTION

Grain seeds like; wheat, maize and sorghum are living yet sleeping plants. These three seeds produce highly nutritious bread, pizza, pasta porridge and more variants of staple food dishes. All these recipes are well explained and demonstrated in our book. The beauty is that you can store these living grains for nearly centuries, and they will still be alive, fresh and healthy. However, once you mill a living grain kernel in flour you have killed (hunted) it and it is in a state of decay. Within ± 3 days a big portion of the essential fatty acids and amino acids become rancid, inflammatory and carcinogenic.

The SOLUTION:

Hunt and eat should be our motto. Only mill the grains for what is required for the day. This principle should be applicable for all your grain/flour-related foods.

Two MAJOUR BENEFITS of owning a home stone-mill:

- This way of living you can side-step all the cheat – processed foods. And be healthy and strong. Losing weight while gaining vitality.
- A home Stone Mill makes you Self Reliant in troubled times.

Our book Go Natural contain a key recipe which show you how to store grain for decades and the grain will still be alive, fresh, and good. In these prophetic, challenging and ever more challenging times we are currently living in, having a home stone mill will help you to secure

We cordially invite you to our next lifesaving and life-changing two-in-one seminar (2 hour) and workshop (3 hours).

Invitation & Program

Get first-hand a download of information, knowledge and experience of how Johan and Alicia from GO NATURAL has reversed his dire condition, a so-called incurable disease to vibrant health. Johan states today; SICKNESS IS NO ACCIDENT, I did not get sick; I was made sick by a “SYSTEM”, indeed a TOTAL ONSLAUGHT. Stats do not lie; look at the small percentages of healthy people without using prescription drugs and the explosion of modern illnesses, “dis-eases”, and the epidemic of the broken brain and not to mention cancer. All people should be aware of what is really happening, but also, what is the solution. In other words, how to navigate and live in wisdom and “dis-ease” free in this modern toxic reality and adulterated food chain. If you want to live in wisdom and to get rid of your modern “dis-ease” you need to attend this life saving seminar.

Do yourself a favour, experience the self-healing capability of your marvellous body, once all the ROOT CAUSES are removed by reading these beautiful and profound testimonies.

These testimonies have proven that our bodies were engineered to win, heal, and improve. We need to do our part to create the right environment for healing and homeostasis. Today, more than ever, you need to have the wisdom and discernment to decide what you will allow your body to ingest and also what practices and procedures you will allow to have done on/to your body.

Remember, if you want VITALITY:

1. **Optimal nutrition is key for your body's inner doctor to execute all its daily functions of self-maintaining, self-healing, self-protecting, self-cleaning, and self-growing (for kids). Our book will show you which diet is the most suitable and used diet over millennia. Our *Go Natural* book also presents a 10-Point Plan on how to get optimally nourished.**
2. **Always eliminate all ROOT CAUSES of "DIS-EASE"**
If you have not seen the empowering movie *ROOT CAUSE*, exposing dental pathology and dead root canal treated teeth as one of the most dangerous operations ever invented by man, send us a clean USB stick, and we will gladly upload the full eye-opening movie/documentary for you.
