

MAY 2023 Newsletter

Dear Go Natural Friend

We sincerely hope you are well. 😊

“ONE LIFE - LIVE IT” is a popular SUV slogan. Pretty impressive and true.

HOWEVER, take note, your one and only vehicle (SUV) of your soul, your body can only cart you around if you take the proper care of it and service it at regular intervals with the real parts.

It is funny how we will do the best of the best for our mechanical SUV, but we will put trash in our personal SUV, our body. I've seen too many times that people perish prematurely due to the complete and utter lack of knowledge.

Trust me, “YOUR HEALTH IS YOUR WEALTH”, and you don't need to perish prematurely.

I nearly become a statistic 19 years ago, after I lost almost everything, suffering from advanced MS. On top of that, I've spent hundreds of thousands of rands and years in agony to regain my health, you need to appreciate a fully functioning body. In my recovery journey, I discovered, I did not get sick, but I was made sick and there is a TOTAL ONSLAUGHT by a system to make everyone “dis-eased”. My plea to you is to EQUIP YOURSELF WITH FACTS and WISDOM, in so doing, to be a responsible custodian of your body, the only vessel for your soul / you. We have a plan and method in our book **GO NATURAL Wisdom for Healthy Living** to help you to live in wisdom and to sidestep the pitfalls and agenda of this modern broken world, filled with **A SEA OF DECEPTION**. This very DECEPTION was the root cause of the MS - “DIS-EASE”, but it does not stop there. The sea is wide and deep, MS is but one symptom of an injured (poisoned) brain. But, in our book, Go Natural, the rationale and methods will take you out of this modern MATRIX. THINK ABOUT IT, - if you are born in the sea of deception, then discernment is virtually impossible as the many....unnatural modalities have become the norm and it is your reality since the beginning, fully conditioned, well accustomed, and BLINDED. But there is HOPE! ☺

A GOOD START - Make the following two slogans, your daily motto:

1. FOOD is your FUTURE! ☺ We are what we eat. Every day, we continuously replace millions of old cells with brand new ones using the food we ingest and assimilate as building blocks for the new cells. GEAR-UP for a good future. I.E., Replace the old tissue with improved tissue made with better quality building blocks – your true food. True food is your best anti-aging insurance.
Sadly - No school will give you this fact.
2. “LET FOOD BE THY MEDICINE and MEDICINE BE THY FOOD” Hippocrates. Indeed, the purest form of medicine, it should always be our first priority to prevent and treat any illness and disease.

No matter what goals you have, looking after your physical body will help give you the power and energy you need to achieve them.

BACKGROUND of our GO NATURAL mission and book

Since we published our GO NATURAL book 7 years ago, we’ve sold over 12 000 copies of our [GO NATURAL Wisdom for Healthy Living](#) book. If you have not read this life-saving, changing, and giving book then you are missing out on essential wisdom, deception annihilating truths, advice, recipes, and methods and protocols to keep you well amidst this broken world we live in.

What can you expect in or GO NATURAL book?

In terms of our physical health, let’s work and capitalize on what we’ve got skin deep. Many people do not realize the treasure/gift that is engineered within our genes. Indeed, we are fearfully and wonderfully MADE. If you have a breath, you are BLESSED with 4 extraordinary capabilities that help you to THRIVE.

Your body is a self-maintaining, self-healing, self-cleansing, and also self-defending entity. For these CAPABILITIES to function optimally you need to eat the original food chain that we are engineered to enjoy. This is not rocket science either; we have a proven GO NATURAL 10-Point eating plan well documented in our book [GO NATURAL Wisdom for Healthy Living](#) that will guide you to be optimally nourished without taking supplements.

A brief expose what to expect in our book, in this 8 Minute YOUTUBE.

<https://www.youtube.com/watch?v=xsRuICR9m2U&list=PLWMSF7luWZMTc1O6TOLcCZ7yDNfWmayKu&index=7>.

Over the last 18 years since we started this health ministry and movement, we’ve seen so many lives transformed, saved, and rejuvenated. We are humbled to present all the testimonies <https://gonatural.co.za/content/34-testimonies> of customers helped. If you need encouragement, do yourself a favour and visit the [TESTIMONY](#) page on our website <https://gonatural.co.za/> and see what is possible. Victory and thriving are in our genes, you just need to activate them.

A CALL TO ACTION:

A new season needs CHANGE. Remember **success is not an event, it is a habit**, we need commitment and discipline, but you will reap the sweet fruit of vitality and no “dis-ease”. Healthy living becomes a lifestyle and it is contagious.

You can learn so much from our journey, trials, errors, recipes and all our discoveries, all documented in our 500 + page GO NATURAL book.

SUGGESTIONS:

1. Document your health challenges and targets.

Familiarize yourself of our changed (corrupted) environment and what is possible if you change those faulty variables. Take me as an example, and all the other [TESTIMONIES](#) on our website, in my case, there was no hope of recovery, at the age of 34 I was clinically written off. Just briefly, for those who do not know my story, this year is my 19th year of recovery from advanced primary progressive multiple Sclerosis (MS). 19-Years ago when I was written off with no hope of recovery and expecting the worst. I've spent many hours on my knees PRAYING for mercy and guidance. To make a long... story short, 4 years after my diagnosis, my PRAYERS were finally answered. I can testify... from rooftops, my SAVIOUR lives as I know He answers our prayers. I was guided to people in Australia and Colorado Springs USA. Take note, look who published this book **SOLVING the MS MYSTERY** with all the solutions of TRUTH re MS exposing the root causes that make one's brain injured. I still remember Dr Huggins words in Colorado Springs 19 years ago in the consultation room with him. He told me Johan; "your goose is not cooked yet", there was hope and I clung onto it. It was the most profound and sweet words in 4 years since my diagnoses and the subsequent demise, tears were rolling down my cheeks. However, I had a lot of questions in my mind, I have tried so many things, from medicine, supplements, diets, and remedies. He also told me; "you did not get sick, you were made sick." Later on, in the three-week treatment plan I also learned from Dr. Huggins, that MS, is but only one symptom of an injured brain there are many others like Alzheimer's, Dementia, Parkinson's, ALS, to name but a few.

The life-saving information and treatment received was instrumental in saving my life. You can find a short summary on our website, but for the full story and teaching, I invite you to read our best seller book. After my recovery my worst rude awakening as I went back to my neurologist asking him some questions. Only to discover that he never had access to the contents of this life saving and changing book that exposes the invisible dragon, i.e.: toxicology that is one root-cause that caused me to be intoxicated, injured and "dis-eased" with ms.

2. Invest TIME in your health.

In hindsight, I now realize, we are born and raised in a sea of deception, there are literally a target on everybody's chest, as we are exposed to so many... unnatural and harmful toxins, variables and so-called foods that as a matter of fact, are rather substrates than food that will eventually cause harm, either from a deficiency (causing your body to be out of homeostasis / balanced) or a taxological point of view. Dr HUGGINS is the angel that our SAVIOUR guided me to, but looking at the publisher's name, today I call him the DRAGON SLAYER, he helped me to open my eyes and he was instrumental in saving my life, praise... ABBA FATHER.

Back to food; remember true food blesses your body and substrates curse your body and pulling you down. You need to study to catch up from lost knowledge and wisdom. In my journey to health, I've read almost a hundred books on this topic and sifted through a lot of FUNNIES, only to discover there is a lot of confusion and also deception in the health industry, not everything here is kosher either. I've made a lot of mistakes initially (the biggest mistake was veganism and not understanding the root cause principle), but I've learned a lot more, real gems and truths. By HIS GRACE, eventually, I discovered all the TRUTHS that helped me to recover and to be set free from the shackles of "dis-ease" and medicine. To make a long story short, my wife and I received a VISION to help others and we started this GO NATURAL movement. Over the last 18 years, many others also benefited from our mission and vision to be in superior health and or to recover from their health challenges and or "dis-eases".

We PRAY and HOPE that you will embark with us on this GO NATURAL journey, you will never regret it.

YOUR OWN HOME STONE MILL is

YOUR STAPLE FOOD AND FOOD SECURITY SOLUTION

Grain seeds like; wheat, maize and sorghum are living yet sleeping plants.

These three seeds produce highly nutritious bread, pizza, pasta porridge and more variants of staple food dishes. All these recipes are well explained and demonstrated in our GO NATURAL book.

The beauty is that you can store these living grains for nearly centuries, and they will still be alive, fresh, and healthy. However, once you mill a living grain kernel in flour you have killed (hunted) it and it is in a state of decay. The inner parts is now exposed to the oxygen rich atmosphere and within \pm 3 days a big portion of the essential fatty acids and amino acids become; oxidized, rancid, inflammatory, and carcinogenic.

The SOLUTION:

Hunt and eat should be our motto. Only mill the grains for what is required for the day. This principle should be applicable for all your grain/flour-related foods.

Two MAJOUR BENEFITS of owning a home stone-mill:

- a. This way of living you can side-step all the cheat / processed foods that is substrates instead of food. Building and maintaining a healthy and strong body. Added benefits is losing weight while gaining vitality.
- b. A home Stone Mill makes you Self Reliant in troubled times.

Our book Go Natural contain a key recipe which show you how to store grain for decades and the grain will still be alive, fresh, and good. In these prophetic, challenging and ever more trying times we are currently living in, having a home stone mill will help you to secure your staple food logistics if you have stored up a decent supply of living sleeping beauties (grains).

For more reasons to own a home stone mill here is the link <https://gonatural.co.za/img/cms/7-Reasons-For-Owning-a-Home-Stone-Mill-Dec-2021.pdf> of a recent article that featured in the JOY! magazine.

2. The DETOX Dichotomy

Background: THERE ARE MUCH CONFUSION ROUND EVERY CORNER RE THIS TOPIC.

Our bodies are made to run effortlessly and smoothly and are by design, self-detoxing, and or cleansing entities that contain 5 methods of cleansing every day, every second for as long as you have a breath. However, due to industrialization and the implementation of unwise modern toxic modalities in many spheres of life, modern people are overexposed to harmful and life-shortening and altering toxins and pollutants that if you are exposed to enough of certain toxins, you will become seriously injured and “dis-eased”.

GLOBAL NEWS

Exposing the silent and near invisible global war against humanity.

I've discovered lots of disturbing discoveries regarding the biological and information war that raged extensively the last nearly three years but if you do a **thorough study**, you will discover it is a war that is raging far beyond 150 years in open daylight. Be part of the AWAKENING.

My question - Who is your anchor in this SEA OF DECEPTION and troubled times??

SUGGESTION - Foundations to endure a Storm

Our Lord and Saviour warned of the danger of building one's life on sand.

We need to build our lives upon the solid rock of the unchangeable Word of Almighty God. When the rain falls, the floods rise, the winds blow and the storm rages, the house built upon the ROCK will stand. However, those built on the sand will collapse (Matthew 7:24-27).

Have a look at the recently released discussions and warn and help your loved ones, family, and friends, we need to awake and then act wisely in these trying times.
