

SEPTEMBER 2023 Newsletter – SURVIVE and THRIVE

Dear Go Natural Friend

We sincerely hope you are well. A warm welcome to all our new customers and subscribers - 😊. Wisdom, - T_R_U_T_H- and discernment are our focus in this modern world to be able and equipped to survive and thrive in our modern reality, proverbially, the “sea of deception”. Our main aim is to keep our subscribers informed, out of the danger zone, and on their way to ultimate health to rise and shine in their divine purpose and destiny. You see, I did not ask to be in the health space, but at the age of 34, I was clinically declared unfit for work with advanced MS and my future looked dim, wobbly, and expecting the worst. But God had a better plan as He has graciously allowed and protected me to be on this amazing discovery journey to regain my health (celebrating 19 years of recovery) and to give us a platform to help many others. In hindsight, the perfect “science”, is proof that [I DID NOT GET SICK. BUT WAS MADE SICK.](#) It is a real privilege for us to help our [broken society](#), from a curse to a blessing, we praise HIM. Keep on reading for this month’s ADVICE, [NEW TESTIMONY](#), SPECIAL, GLOBAL news, our [EVENTS](#) our WHATSAPP & TELEGRAM, groups, and how to contact and consult with us.

[GO NATURAL’S TESTIMONIES](#)

WOW....., RECENTLY, I WAS SO AMAZED AND COMPLETELY BLOWN AWAY. 😊

On Saturday 9 September, in Pretoria, when I presented our HEALTH REVIVAL seminar, halfway through during the first break I was so... Blessed with [Christo’s phenomenal recovery testimony](#) from advanced MS. I’ve never met or talked to him prior to the seminar. All that he did was to discover our book, read it, act upon and the rest is history. All I can say is - all the glory to our LORD and SAVIOUR. My recovery is not an isolated case either, there are many more on our [TESTIMONY](#) page on our website. And I know there are many more that need to be documented.

ADVICE FOR HUMANITY: ONE BODY - LOOK AFTER IT!!!

Here we go - Think about it, “ONE LIFE - LIVE IT” is a popular sports utility vehicle (SUV) slogan. Pretty impressive and true. HOWEVER, take note, your one and only SUV of your soul, your body can only cart you happily and reliably around if you take the proper care of it and service it at regular intervals, every day, with the real parts (clean and true nutrients). The 3 key reasons for eating, are well explained in our book. Let’s just look at the first key reason to enjoy TRUE FOOD. Number one - the long and the short is that our body’s cells only live so long and continually need to get replaced with new cells. Those new and strong tissues originate from your daily food intake. In other words, your FOOD IS YOUR FUTURE. Do the wise thing and invest time in preparing and enjoying true food or else, JUNCK IN JUNCK OUT which sets the stage for degeneration, accelerated aging, and poisoning.

It is funny how we will do the best of the best for our mechanical SUV, but we will put trash, JUNK FOOD, void of daily essential nutrients and filled with toxins in our most precious personal SUV, our body. I've seen too many times that people sadly perish prematurely due to the complete and utter lack of knowledge.

My discoveries and knowledge gained in my recovery journey from an incurable disease MS, are proof that for the last ± 200 years, we were all unknowingly born in this crafty "SEA of DECEPTION". In a "dis-ease" causing and managing society, where most of the [ROOT CAUSES](#) never get removed. This has led me to document all my discoveries and also solutions in our back-to-basics [GO NATURAL Wisdom for Healthy Living](#) book. If you have not read it, I sincerely invite you to read this life-saving and changing book that will empower you to step out of this wicket matrix of control and deception. This book's information and methods not only saved my life, but it subsequently prevented lots of agonies and saved countless more lives, here is some proof and the sweet fruit of our labor, our [TESTIMONIES](#).

BACKGROUND of our GO NATURAL mission and book

Since we published our GO NATURAL book 7 years ago, we've sold over 12 000 copies of our [GO NATURAL Wisdom for Healthy Living](#) book. If you have not read this life-saving, changing, and giving book then you are missing out on essential wisdom, deception annihilating truths, advice, recipes, and methods and protocols to keep you well amidst this broken world we live in.

What can you expect in or GO NATURAL book?

In terms of our physical health, let's work and capitalize on what we've got skin deep. Many people do not realize the treasure/gift that is engineered within our genes. Indeed, we are fearfully and wonderfully MADE. If you have a breath, you are BLESSED with 4 extraordinary capabilities that help you to THRIVE.

Your body is a self-maintaining, self-healing, self-cleansing, and also self-defending entity. For these CAPABILITIES to function optimally you need to eat the original food chain that we are engineered to enjoy. This is not rocket science either; we have a proven GO NATURAL 10-Point eating plan well documented in

our book [GO NATURAL Wisdom for Healthy Living](#) that will guide you to be optimally nourished without taking supplements.

A brief expose what to expect in our book, in this 8 Minute YOUTUBE.
<https://www.youtube.com/watch?v=xsRuICR9m2U&list=PLWMSF7luWZMTc1O6TOLcCZ7yDNfWmayKu&iindex=7>.

Over the last 18 years since we started this health ministry and movement, we've seen so many lives transformed, saved, and rejuvenated. We are humbled to present all the testimonies <https://gonatural.co.za/content/34-testimonies> of customers helped. If you need encouragement, do yourself a favour and visit the [TESTIMONY](#) page on our website <https://gonatural.co.za/> and see what is possible. Victory and thriving are in our genes, you just need to activate them.

A CALL TO ACTION:

A new season needs CHANGE. Remember **success is not an event, it is a habit**, we need commitment and discipline, but you will reap the sweet fruit of vitality and no “dis-ease”. Healthy living becomes a lifestyle and it is contagious.

You can learn so much from our journey, trials, errors, recipes and all our discoveries, all documented in our 500 + page GO NATURAL book.

SUGGESTIONS:

1. Document your health challenges and targets.

Familiarize yourself of our changed (corrupted) environment and what is possible if you change those faulty variables. Take me as an example, and all the other [TESTIMONIES](#) on our website, in my case, there was no hope of recovery, at the age of 34 I was clinically written off. Just briefly, for those who do not know my story, this year is my 19th year of recovery from advanced primary progressive multiple Sclerosis (MS). 19-Years ago when I was written off with no hope of recovery and expecting the worst. I've spent many hours on my knees PRAYING for mercy and guidance. To make a long... story short, 4 years after my diagnosis, my PRAYERS were finally answered. I can testify... from rooftops, my SAVIOUR lives as I know He answers our prayers. I was guided to people in Australia and Colorado Springs USA. Take note, look who published this book **SOLVING the MS MYSTERY** with all the solutions of TRUTH re MS exposing the root causes that make one's brain injured. I still remember Dr Huggins words in Colorado Springs 19 years ago in the consultation room with him. He told me Johan; “your goose is not cooked yet”, there was hope and I clung onto it. It was the most profound and sweet words in 4 years since my diagnoses and the subsequent demise, tears were rolling down my cheeks. However, I had a lot of questions in my mind, I have tried so many things, from medicine, supplements, diets, and remedies. He also told me; “you did not get sick, you were made sick.” Later on, in the three-week treatment plan I also learned from Dr. Huggins, that MS, is but only one symptom of an injured brain there are many others like Alzheimer's, Dementia, Parkinson's, ALS, to name but a few.

invisible dragon, i.e.: toxicology that is one root-cause that caused me to be intoxicated, injured and “dis-eased” with ms.

2. Invest TIME in your health.

In hindsight, I now realize, we are born and raised in a sea of deception, there are literally a target on everybody's chest, as we are exposed to so many... unnatural and harmful toxins, variables and so-called foods that as a matter of fact, are rather substrates than food that will eventually cause harm, either from a deficiency (causing your body to be out of homeostasis / balanced) or a taxological point of view. Dr HUGGINS is the angel that our SAVIOUR guided me to, but looking at the publisher's name, today I call him the DRAGON SLAYER, he helped me to open my eyes and he was instrumental in saving my life, praise... ABBA FATHER.

Back to food; remember true food blesses your body and substrates curse your body and pulling you down. You need to study to catch up from lost knowledge and wisdom. In my journey to health, I've read almost a hundred books on this topic and sifted through a lot of FUNNIES, only to discover there is a lot of confusion and also deception in the health industry, not everything here is kosher either. I've made a lot of mistakes initially (the biggest mistake was veganism and not understanding the root cause principle), but I've learned a lot more, real gems and truths. By HIS GRACE, eventually, I discovered all the TRUTHS that helped me to recover and to be set free from the shackles of “dis-ease” and medicine. To make a long story short, my wife and I received a VISION to help others and we started this GO NATURAL movement. Over the last 18 years, many others also benefited from our mission and vision to be in superior health and or to recover from their health challenges and or “dis-eases”.

We PRAY and HOPE that you will embark with us on this GO NATURAL journey, you will never regret it.

YOUR OWN HOME STONE MILL is

YOUR STAPLE FOOD AND FOOD SECURITY SOLUTION

Grain seeds like; wheat, maize and sorghum are living yet sleeping plants.

The beauty is that you can store these living grains for nearly centuries, and they will still be alive, fresh, and healthy. However, once you mill a living grain kernel in flour you have killed (hunted) it and it is in a state of decay. The inner parts is new exposed to the oxygen rich atmosphere and within ± 3 days a big portion of the essential fatty acids and amino acids become; oxidized, rancid, inflammatory, and carcinogenic.

The SOLUTION:

Two MAJOR BENEFITS of owning a home stone-mill:

- Our book *Go Natural* contain a key recipe which show you how to store grain for decades and the grain will still be alive, fresh, and good. In these prophetic, challenging and ever more trying times we are currently living in, having a home stone mill will help you to secure your staple food logistics if you have stored up a decent supply of living sleeping beauties (grains).

Out two top selling home stone mills

-

From grain to flour within minutes. 😊

2. The DETOX Dichotomy

Background: THERE ARE MUCH CONFUSION ROUND EVERY CORNER RE THIS TOPIC.

Our bodies are made to run effortlessly and smoothly and are by design, self-detoxing, and or cleansing entities that contain 5 methods of cleansing every day, every second for as long as you have a breath. However, due to industrialization and the implementation of unwise modern toxic modalities in many spheres of life, modern people are overexposed to harmful and life-shortening and altering toxins and pollutants that if you are exposed to enough of certain toxins, you will become seriously injured and “dis-eased”.

GLOBAL NEWS

Exposing the silent, multidimensional and near invisible global war against humanity.

I've discovered lots of disturbing discoveries regarding the biological and information war that raged extensively the last nearly three years but if you do a **thorough study**, you will discover it is a war that is raging far beyond 200 years in open daylight. Be part of the AWAKENING.

My question - Who is your anchor in this SEA OF DECEPTION and troubled times??

SUGGESTION - FOUNDATIONS to endure a Storm

Our Lord and Saviour warned of the danger of building one's life on sand. We need to build our lives upon the solid rock of the unchangeable Word of Almighty God. When the rain falls, the floods rise, the winds blow and the storm rages, the house built upon the ROCK will stand. However, those built on the sand will collapse (Matthew 7:24-27).

Have a look at the recently released discussions and warn and help your loved ones, family, and friends, we need to awake and then act wisely in these trying times.

Remember – “Then you will know the TRUTH, AND the TRUTH will set you FREE” John 8:32.
